

TRINITY MISSIONARY BAPTIST CHURCH

Rev. Trevor Crenshaw, Pastor

Pastor and Deacon Congregational Care Ministry

There are times when physical situations cause one to be admitted to a hospital. During these times, we aim to provide physical and emotional support based upon scriptural insight. If you, family member or loved one is admitted to a hospital due to illness, surgery (outpatient or overnight) or other reasons, please let us know so that we may visit and/or pray with you.
